Forecast For East of England
Issued by Met Office Exeter
at 1600 on Saturday 18 Sep 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Cloudy but dry tonight. Heavy rain for some on Sunday.

This Evening and Tonight:
Dry this evening with a few spells of late sunshine. Largely cloudy overnight but light winds may still allow a few areas of mist and fog to develop. Some rain may develop across western areas towards dawn. Minimum temperature 14 deg C (57 deg F).

Sunday:
Starting mainly fine, with some bright spells in eastern parts after any fog lifts. Rain will gradually spread in from the west however, with some slow-moving heavy downpours developing later. Maximum temperature 23 deg C (73 deg F).

Outlook for Monday to Wednesday:
Probably rather cloudy and damp to start the working week, but gradually brightening later Monday and through Tuesday. Breezier Wednesday, ahead of some rain moving southeast later. Temperatures falling slightly.
